A propos de moi

Depuis 2 ans, je dessine des motifs en vue de les utiliser pour des produits afin de rendre le monde plus coloré. Maintenant, j'aimerais franchir le pas et présenter mes motifs à ces produits.

Pour mes motifs, j'utilise principalement mes illustrations à l'aquarelle, mais des crayons de cire ou de bois et de l'encre sont également utilisés pour mes créations, qui s'inspirent principalement de la nature.

Est-ce que tu veux voir plus de mes motifs ? Alors écris un courriel à david@biene.art et je réponds si vite que possible !
